Dear Friend,

We are happy to announce that Anny Xu will be serving as a Support Summer Missionary with Child Evangelism Fellowship of Centre Region for the first time! She shares a bit of her testimony and desire to work with CEF this summer below:

"Since my sophomore year I felt alone and alienated, it was hard for me to find a sense of belonging in school. However I started to turn to God as I became more focused in my faith and God showed me miracles; I started doing things I like that I could find solace in and I knew it was God's love guiding me. It all started when I was looking for a summer job that I could spend some time in, when my friend introduced me to the Child Evangelism Fellowship program. At first I didn't show much interest but when I found out that another job that I applied for wouldn't be hiring until the fall, I learned that Child Evangelism Fellowship is God's intended path for me, to work and lead children to God's love. I am very excited to work as a CEF summer missionary this year and I want to lead more children to learn and believe in God."

This summer, as a Support Summer Missionary Anny will be attending a week of missionary training school from June 17-23 where she will be a Missionary Track student. Afterwards, she will work alongside her teammates as they teach 5 Day Clubs throughout the Centre Region for the remainder of the summer. At these clubs hosted in people's backyards, parks, and churches, Anny will be teaching missionary stories, leading songs and games, and sharing the message of salvation with elementary-aged children.

Anny cannot do this alone! She will need lots of prayer and support to equip her as she serves the children this summer. Are you interested in joining her team? Anny's support goal is \$1,707 for training, teaching materials, travel, and weekly salary. Please prayerfully consider how God might use you and fill out the form below.

In His Service,
