# WHERE'S Everybody GOING?

## Good News Club®

### Penns Valley Elementary

Good News Club® (GNC) is a fun-filled interdenominational Bible instruction as allowed by Pennsylvania law and the Supreme Court. Kids love our games, stories, and learning activities. We will take them exploring through the Bible to see how God

speaks to us through His Creation, His Son, and His Word. We carefully screen our workers, and you will find that we care very much about your children. We work hard to help them make good choices that will help them to succeed in life. GNC meets in room A109. Completed forms should be shown to your child's teacher and then submitted to the school office.

**For safety measures, please park at the curb at pick-up time to sign out your child.**
